TO: All Superintendents, School Business Officials, and Charter School Sponsors

FROM: Melissa K. Ambre, Director
Office of School Finance

SUBJECT: Forecast of 2010 State Tuition Support

DATE: July 22, 2009

Attached is a blank copy of the 2010 State Tuition Support Worksheet. We are in the process of incorporating program changes to forecast the 2010 tuition support funding for each school corporation and charter school. Due to the impending budget advertisement deadlines, we felt it was important to provide you with a copy of the 2010 State Tuition Support Worksheet so you may begin to estimate revenues for your school.

The 2010 forecasted information may be used as a guide when making determinations funding amounts as well as preparing and advertising 2010 budget estimates. As you work through the worksheet, you may want to use the most current data available to reflect a more accurate projection for your school corporation or charter school.

A blank copy of the 2010 State Tuition Support Worksheet is available on the Office of School Finance website. You may access it at <http://www.doe.in.gov/finance/welcome.html>. When the program is finalized, we will provide each school corporation and charter school with a 2009-2010 estimate.
